

Hi-Res 3D

The greatest sense of accomplishment is getting kudos from a very satisfied customer.

At Hi-Res 3D, we do our best to give customers what they need – high quality prototype parts, on time delivery and very competitive prices. Plus we give a 5% discount for payment with a major credit card. It's a tough economic climate out there, so Hi-Res 3D gives you a competitive advantage to succeed in the market place.

“My first order with Hi-Res 3D was placed in August.

The **quality of the parts blew me away...**”
